## FINS AND FEATHERS.

- 1.(10) The fish and the bird are first cousins and a large part of modern sport is a matter of out-witting this pair.
- 2.( 4) The first move is to round up the bait.
- 3.(6) Locating the bullhead or "mollygrub" is a competition by itself.
- 4.( 3) Efficiency and team work-
- 5.( 7) The next move is starting the "kickers" - worse than a mule on a cold morning -
- 6.( 5) Everything has to move in time-even a kicker.
- 7.( 6) Cliff Lake, near the Montana Ranch Club, is 7500 feet above sea level.
- 8.( 3) A whole lake with no outside traffic.
- 9.( 5) Any place in this lake is the right place for fish.
- 10.( 4) Sport with a side-order of scenery.
- 11.( 5) The World's bluest sky and water and it's whitest clouds -
- 12.( 4) Ike Walton would have bought this lake.
- 13.( 3) A case ~~of~~ fish - eat - fish
- 14.( 3) The kind of fishing you dream about -
- 15.( 4) Station B-A-I-T broadcasting -
- 16.( 3) The rush hour begins.
- 17.( 6) In the heart of Montana where men are fishermen and trout are hungry.
- 18.( 3) A ~~public~~<sup>XXX</sup> fight to the finish -  
finnish
- 19.( 3) No time for an intermission.
- 20.( 3) The post- mortem.
- 21.( 5) Enough rainbow and cut-throat to last out the day -
- 22.( 4) The "Loch Laven", another fighting breed-
- 23.( 5) A good fighting face but no match for human wits-
- 24.( 7) We will now prove the close relationship between fins and feathers.

St.Petersburg, Fla.

## FINS AND FEATHERS.

- 25.( 8) Old Bill is a living example of the connecting link,  
proving that the bird came after the fish.
- 26.(3) The All-American bill collector.
27. 3) Every day is Friday on his calendar.
- 28.( 4) And all his feathers came from fins.
- 29.( 9) Passing up the Pelican, the game bird supplies one  
of the sportsman's greatest thrills.  
Down in Dixie.
- 30.( 8) This "bird" with the dogs has supplied his share  
of thrills also. Ever see him before?
- 31.( 4) His name happens to be Ty Cobb.
- 32.( 4) How he has kept in condition for 20 years.
- 33.( 4) The main thrill is the work of the dogs.
- 34.( 4) The keenest hunters between earth and sky -
- 35.( 3) Something worth while eating, too.
- 36.( 4) One of the great sights of existence. -
- 37.( 3) A bird's-eye view at close range -
- 38.( 3) Suspense!
- 39.( 5) Here, too, there's the hope of a double or triple play.
- 40.( 3) Quail!
- 41.(7) Fins and Feathers - wits against wits in a game that  
man has always loved and always will.
- 42.( 3) THE END.
